

Sandwai Home Support App

Download and set up guide

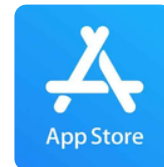

This app allows you to view your upcoming services.

Download the Sandwai Home Support app from the Google Play Store or Apple App Store.

The following steps are only required the first time you use the app.

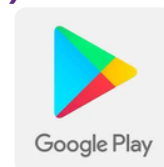

For Apple Phone or Tablet (i.e iPhone or iPad)

- Tap the App Store icon on your home screen.
- Tap the **Search** button at the bottom.
- Type **Home Support** in the search bar.
- Tap **install**.

For Android Phone or Tablet (i.e Samsung, Google pixel, Motorola)

- Tap on the **Google Play Store** icon.
- Tap the **Search** bar at the top.
- Type **Home Support** in the search bar.
- Tap **install**.

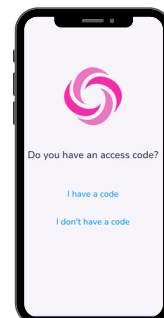

Getting started.

- Open the App.
- Once the App has downloaded, tap the **Home Support** icon.
- Tap **Let's get started**.
- This will redirect you to the "let's get started" screen.

Entering the code

- If you have a code, tap **I have a code**.
- Enter your 6-digit access code.
- Tap **Next** or **Continue**.
- You should now be logged in and able to view your dashboard.
- If you do not have a code, you can contact our office and we will text you a code.

Successful login

- You should now be logged in and able to view your dashboard.
